

Subject: Follow-up on Cyber Complaint (Ack. No: 33710250046783) – Online Job Scam and Ongoing Threats

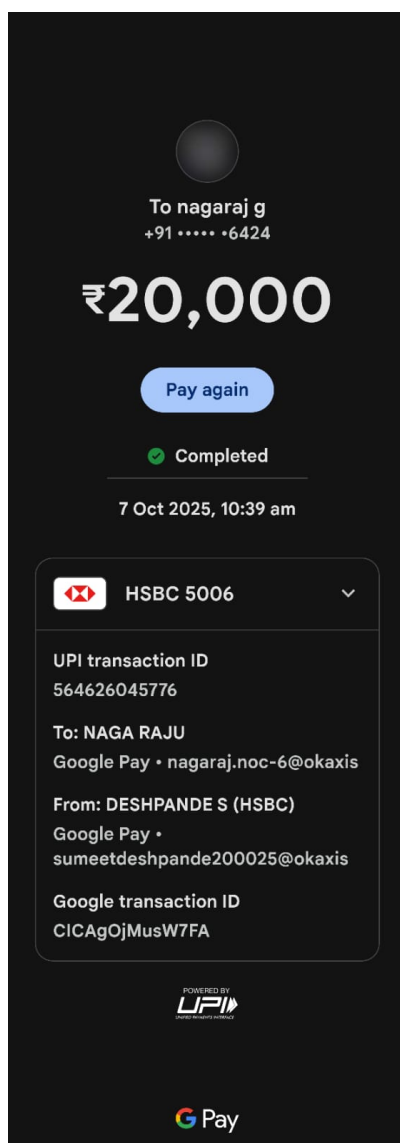

Dear Cyber Crime Team,

I, Sumeet Deshpande am writing to provide an update and request urgent action regarding my cyber fraud complaint (Acknowledgment No: **33710250046783**).

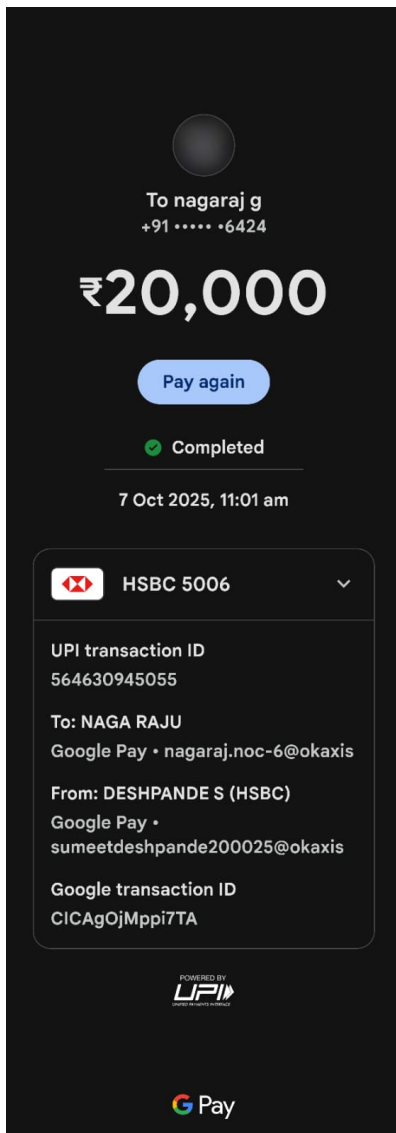

I had filed this complaint against an individual who approached me through a Citrix-related WhatsApp group, claiming that he could help me secure a “backdoor job” in reputed companies. Believing his offer to be genuine, I contacted him directly. He promised interview support and a confirmed job offer in exchange for a payment of ₹1,00,000.

Based on his assurances, I made the following payments to him to nagaraj.noc-6@okaxis UPI ID.

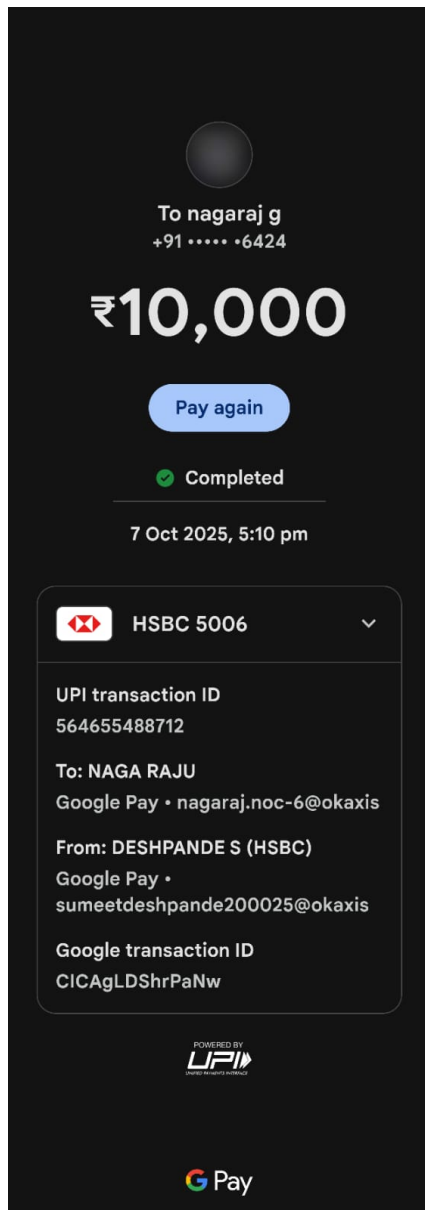

- ₹20,000 (first payment)

- ₹20,000 (second payment)

-
- ₹10,000 (third payment for arranging an interview with no bond)

After receiving the payments, the person initially communicated but later began making excuses. Following my cyber complaint submission (Ack. No: 33710250046783), he claimed that his bank account got frozen because of the complaint and began threatening me. He stated that he would post nude pictures of my family online if I did not withdraw my complaint.

His WhatsApp number(+91 79958 23152) is still active, and he continues to contact me with threats and pressure to take back my complaint. I have also learned that he has scammed at least one more person from the same group using similar false promises.

I understand that I made a mistake by trusting him, but I fell into this trap unknowingly. I kindly request your urgent intervention in this matter to take strict action against this individual and help me recover my hard-earned money.

I request your immediate assistance to:

1. Take strong legal action against the individual for online fraud and criminal intimidation.
2. Ensure the safety and privacy of my family.

3. Assist in recovering the money I lost through this scam.

Sincerely,

Sumeet Deshpande
